

Prodigal son come to himself -  
the world's answer to life <sup>rejected</sup>  
way

- unbelief - greatest sin - not  
accepting free gift of eternal  
life

Not only saved me - but  
has protected me.

No one is ask to recant  
their religion only to  
recant or deny Jesus

our finite brains - we are  
incredibly stupid & sterile  
to think we can put the  
Creator of the universe in  
a box - to prove Him.
