

From the desk of . . .

The darker the place
The more people

Pete Maravich

Where are you today
Do you know Jesus - more imp't. He knows
you - I hear Jesus not coming back for
a long time - death - He's back - sealed -
cemented forever

God looking for young people who are sold out
anybody to be steadfast, God's tired of fence
sitters + cliff hangers - To follow Jesus will
cost you - friends

Don't be deceived by man's attempt to secure
glory, excitement + success - It will never last
but temp. ego gratif. Reality will set back in
+ your life will be a little more darker than
before - Everyone believes he's is saved - most
people don't believe as I did that sin is that
bad, but that ignorance + unbelief has stunned
+ shocked countless millions when death has
suddenly taken them

The steps of a good man are ordered by the Lord; and he delighteth in his way.

Psalm 37:23
